M. RAMAIYA,
Executive Engineer,
Shimoga-Arasalu Railway Construction Division.

OFFICE OF THE VICE-PRINCIPAL IN-CHARGE, HEBBAL FARM, HEBBAL.

Tender Notice dated the 6th March 1928.

Sealed tenders will be received up to the 10th April 1928, for the purchase of jaggery being made on the Hebbal Farm totalling in all about 500 maunds. This quantity is only approximate and the whole quantity whether more or less than this will have to be taken by the tenderer.

Tenders should be superscribed "Tenders for the purchase of jaggery manufactured on the Hebbal Farm" and a deposit of Rs. 100 as earnest money in currency notes should accompany the tender without which the tender will not be received.

If the tender is not accepted, the earnest money will be returned to the party. Final acceptance of the tender will rest with the Director of Agriculture in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. The deposit of the successful tenderer will be retained and he will be required to execute an agreement and furnish a further deposit of one-fourth of the total purchase amount within five days of the intimation of acceptance of tender. This amount together with the earnest money will be adjusted against dues on finally closing up accounts.

The tenderers should quote the rate of jaggery per maund. A sample of jaggery can be seen on the farm by the tenderers. The sample is only an average sample and all the jaggery made will have to be taken over by the tenderer even if it should vary from the sample.

Tenders will be opened by the Vice-Principal in-charge of the Farm on Monday the 11th April 1928 on the Hebbal Farm at 9 A.M. Tenderers may be present at this time.

The jaggery will be weighed in the balance of the Farm and this weight will have to be taken as correct.

The successful tenderer will have to take delivery of the jaggery against cash every week, the first instalment commencing within a week from the date of acceptance of the tender and thereafter every Saturday at 4 P.M. on the Farm. If the tenderer is not present at the time, the weight recorded by the Farm Officers will have to be accepted as correct. If the jaggery is not promptly taken charge of by the tenderer every week, it will be stored on the Farm at his risk and expense.

The earnest money deposited with the tender and the subsequent deposit will be liable to be forfeited to Government if any of the above conditions are violated.

GUNDAPPA S. KURUPAD,
Vice-Principal.
